3. **Boundary Line Adjustment.** It is the intent of the undersigned that the proposed conveyance would constitute a boundary line adjustment. Accordingly, it is represented and understood by the undersigned that:

- a. The proposed conveyance would not detrimentally affect access to the preceding parcels;
- b. Each resulting lot has an accessible building area as defined by SCC 30.41E unless a building area does not exist on the original lot(s). This requirement shall not apply to lots that are zoned commercial or industrial;
- c. County approval of this boundary line adjustment does not guarantee or imply that the subject property may be developed or subdivided, and that boundary line adjustment approval may not be grounds for approval of subsequent modification or variance requests;
- d. Each resulting lot has not been created through a subdivision exemption as set forth in SCC 30.41A.020(6) or 30.41A.020(7) or a Short Subdivision exemption as set forth in SCC 30.41B.020(6) or 30.41B.020(7) within the last 5 years.
- e. No new lot would be created by the proposed conveyance, but rather the conveyed property together with the receiver's existing ownership, described on the preceding page would constitute a single lot and be described as follows: (Include as attached exhibit as needed)

constituting approximately _____ acres or _____ square feet.

- f. The conveyor's ownership after the proposed conveyance would not be reduced in size below the minimum required square footage nor would it violate other Zoning Code requirements. The conveyor's ownership would now be described as follows: (Include as attached exhibit as needed)

constituting approximately _____ acres or _____ square feet.

4. **Signatures.** The signatures below are of the **Owner(s)** of the property and must be signed in the presence of a notary public. Use the attached acknowledgement(s) as necessary.
